In lines 22-23, it is unclear which partition is being claimed by "said partition". If Applicant meant to refer to a respective one of the partitions already set forth in the claim, then "said partition" may be changed to "a respective said partition".

2) Claim 10 is objected to under 37CFR 1.75(c) as being of improper dependent form for failing to further limit the subject matter of a previous claim. It appears that claim 10 is unfinished because all it includes is the preamble. Inasmuch as the preamble of claim 10 does not further limit the subject matter claim 10 may be said to fail to further limit the subject matter set forth in claim 7 from which it depends.

3. Claims 1-10 would be allowable if appropriately amended to overcome the rejections under 35 U.S.C. 112.

3) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy G Foster whose telephone number is (571) 272-4554. The examiner can normally be reached on Mon-Fri, 8:45 am - 5:15 pm.

1) Claims 1-10 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In line 2 of claim 1, it is unclear which pocket is being referred to by "said pocket". This may be changed to "a first of said pockets", but Applicant will need to amend the other instances in which this pocket is mentioned in the claims, so as to refer to "said first pocket".

In lines 4-5, the limitation "to receive a compact disc respectively" appears to be inaccurately stated. This should probably read "to receive a compact disc in each respectively".

In line 15 of claim 1, there is no antecedent basis for the fourth partition. Perhaps, this may be claimed as "along side edges of said pocket and said third partition and a fourth partition" (if this was intended).

In line 18 of claim 1, it is unclear which partition is being claimed by "said partition". If Applicant meant to refer to each partition, then "said partition" may be changed to "said partitions" or "each said partition" or "each partition".

In line 20 of claim 1, it is unclear which side-fold is being claimed by "said side-fold". If Applicant intended to refer to each side-fold, then "said side-fold" may be changed to "each said side-fold".

In line 22, it is unclear which compartment space is being claimed by "said compartment space". If Applicant meant to refer to each compartment space, then "said compartment space" may be changed to "each compartment space".
